EDUCATION

THE UNIVERSITY OF CHICAGO Chicago, IL
Bachelor of Arts in History, Focus on Media, Technology, and Narrative *Expected, June 2028*
Major GPA: 4.00 | GPA: 3.81 | Dean's List (2025–2026)

EXPERIENCE

Content Development Intern, Primary Wave, New York *June – September 2026*

- Authored **original film and TV pitch treatments, loglines,** and **story bibles** adapting catalog IP into studio projects.
- Designed executive **buyer pitch decks** and built a centralized **script coverage & IP tracking dashboard** for development activities.

Creator & Content Strategist, Historical IP and Canon Analysis, Virtual *July 2026 – Present*

- Conceive and produce digital commentary linking **historical media shifts, archival research, and IP rights** to modern studio strategy and franchise development.

Associate Producer, Dynamo Media, New York *May – September 2025*

- Developed video concepts and **shooting scripts** for a digital brand; managed projects from initial pitch logline through post–production.
- Led physical production prep (**negotiated location & talent releases**, AI video prototypes) and analyzed **audience engagement metrics** to maximize slate reach.

AI Market Analyst, Hunterbrook Media, New York *May – September 2024*

- Authored weekly intelligence on **generative AI and digital media**; diligenced target investments through market research and **revenue modeling**.

Media Research & Data Analyst Intern, NewsGuard, New York *May – September 2024*

- Engineered an **LLM–based tool** correlating news sources with databases to track media trends; co–authored investigative reports.

Research Intern (Media Policy), SIPA, Columbia University, New York *June 2022 – July 2024*

- Supported the School of International and Public Affairs' Director of Technology, Media, and Communications; analyzed EU Digital Services Act, platform governance and **LLM copyright disruption.**

AGENCY SKILLS & PRODUCTION TOOLS

- Development & Agency Operations: Script Coverage & Coverage Grids, Pitch Treatments & Bibles, Logline Writing, IP Mining & Book–to–Screen Adaptation, Rights Diligence, High–Volume Reading & Synthesis
- Production & Software: Keynote/Pitch Decks, Notion, Airtable, Adobe Premiere Pro, Generative AI Video Tools (Runway, Veo, Midjourney)
- Industry Analytics: Revenue Modeling, Media Policy & Regulatory Frameworks, Audience Engagement Analytics, Competitive Slate Analysis

CAMPUS LEADERSHIP & ACTIVITIES

Deputy News Editor, *The Chicago Maroon* *October 2024 – present*

- After serving as my high school newspaper's editor-in-chief, I joined my college paper as a news reporter and worked my way up to deputy news editor.
- Direct student reporters, assign coverage grids, and edit fast–turnaround stories under daily deadlines with strict narrative accuracy and editorial standards.

Active Member, MaroonTV March 2025 – present

- Evaluate student scripts and collaborate on physical productions
- Write, develop and shoot original video concepts

Media & IP Lead, New Ventures Club October 2025 – present

- Collaborated on team at formation
- Authored marketing and research plan for student–run venture fund

Student Facilitator, Tempestus Papam May 2025 – present

- After taking the course in the fall of my first year, I helped facilitated live historical immersion and strategic negotiation dynamics for 100+ students in Hugo Award–winner Prof. Ada Palmer's papal election simulation.

SELECTED UNIVERSITY OF CHICAGO COURSEWORK & RESEARCH

- Mythopoesis & Story Structure: Advanced study of J.R.R. Tolkien's mythic worldbuilding and Chaucerian ensemble narrative dynamics.
- Historiography & Non–Fiction Prose: Analysis of narrative mechanics in non–fiction, primary source synthesis, and archival IP/book–to–screen adaptation.
- Institutional Power & Political Rhetoric: Immersive Renaissance historical seminar modeling strategic alliance–building and high–stakes negotiation dynamics.
- Digital Media Systems & Prototyping: Masterclass in AI video design, generative visual prototyping, and emerging digital production platforms.
